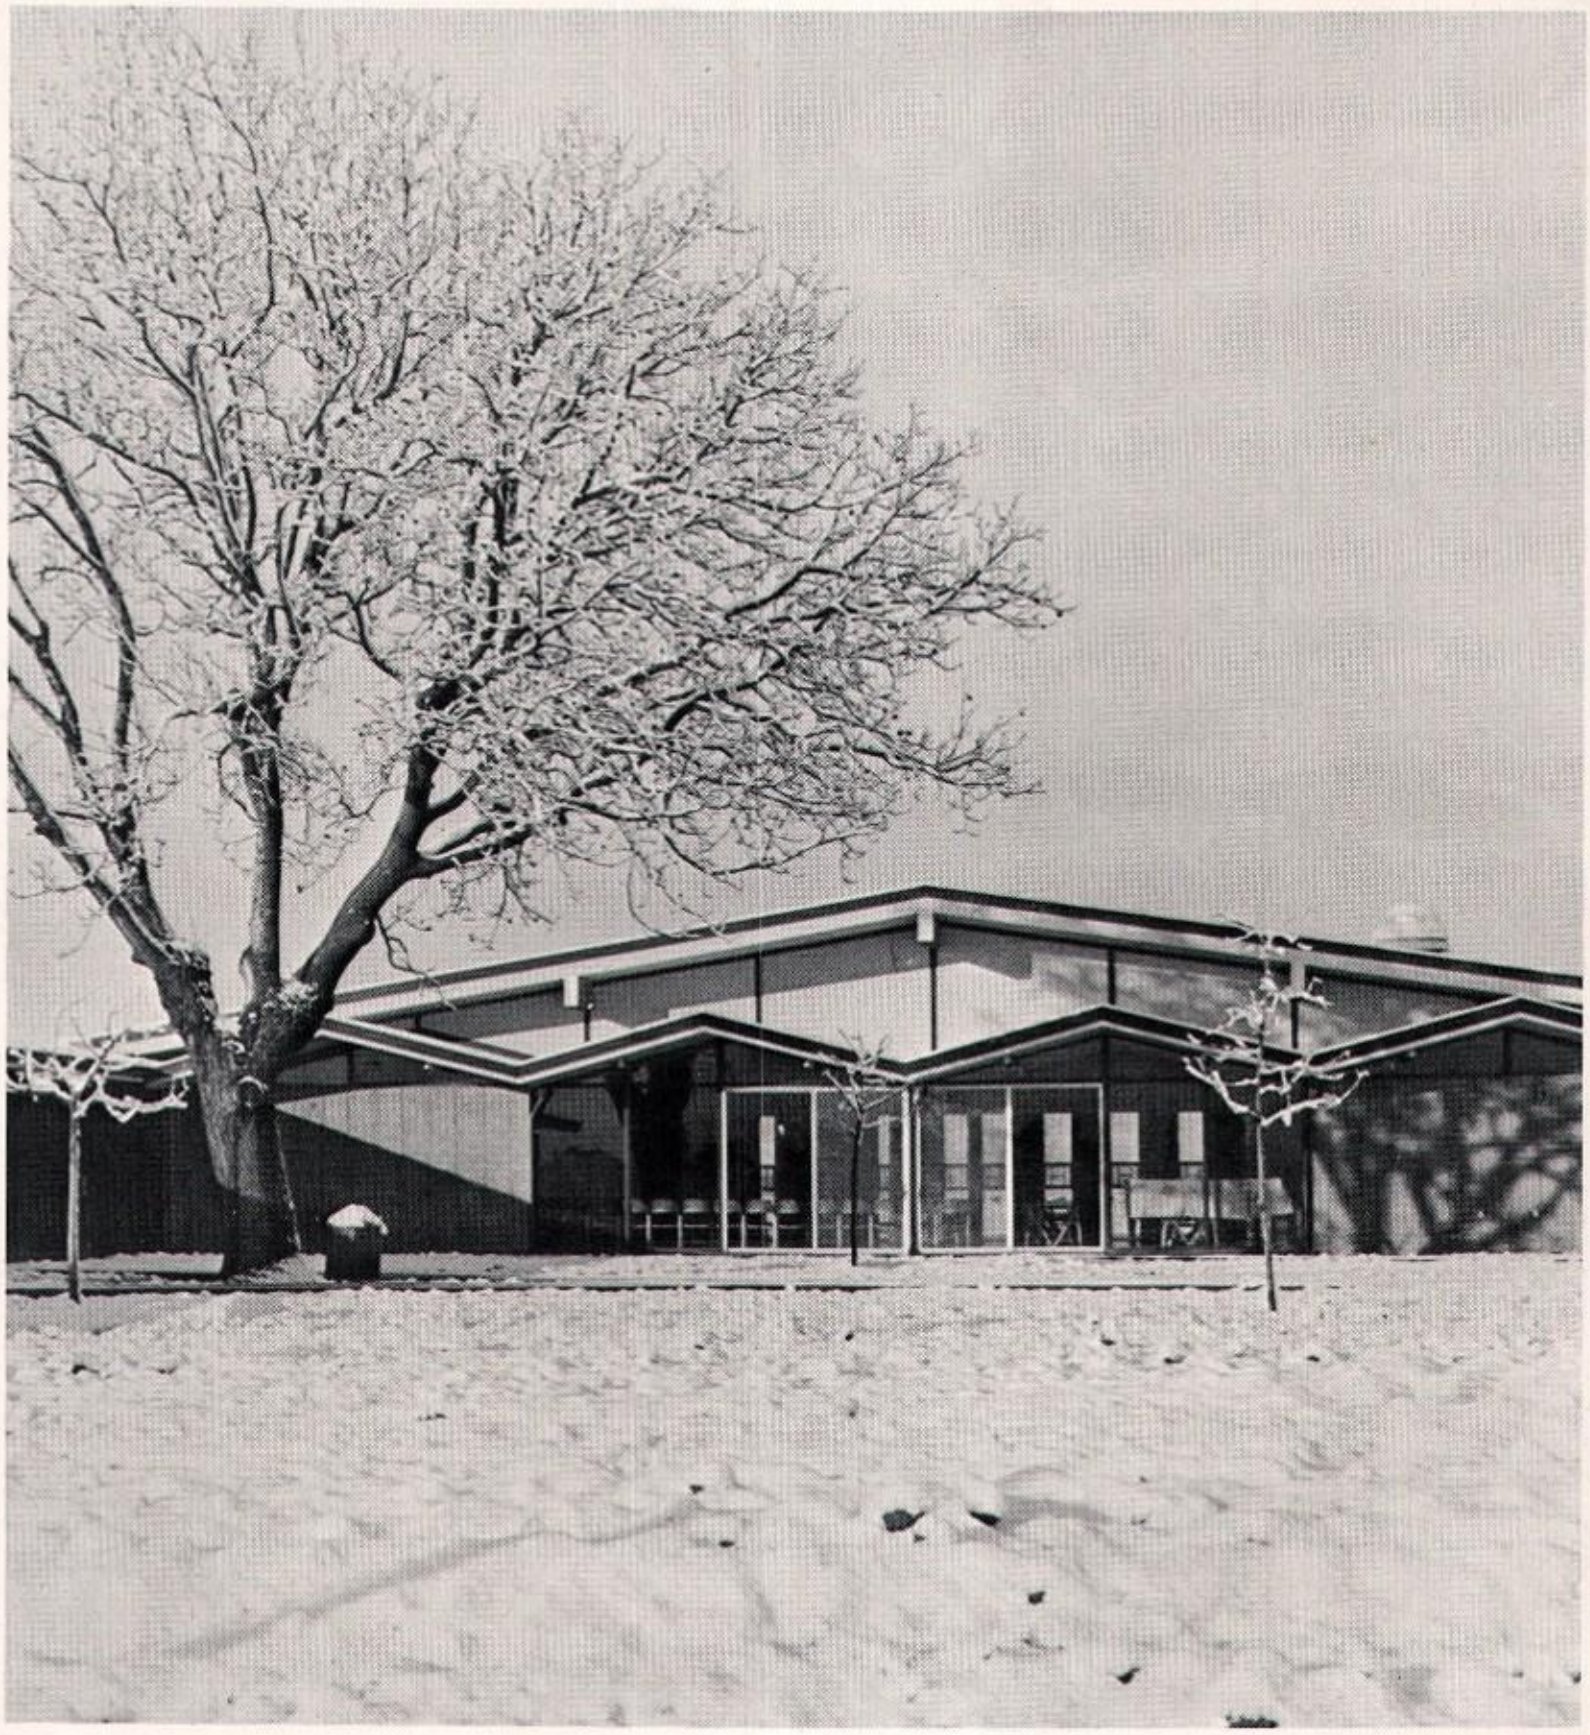
FOREWORD

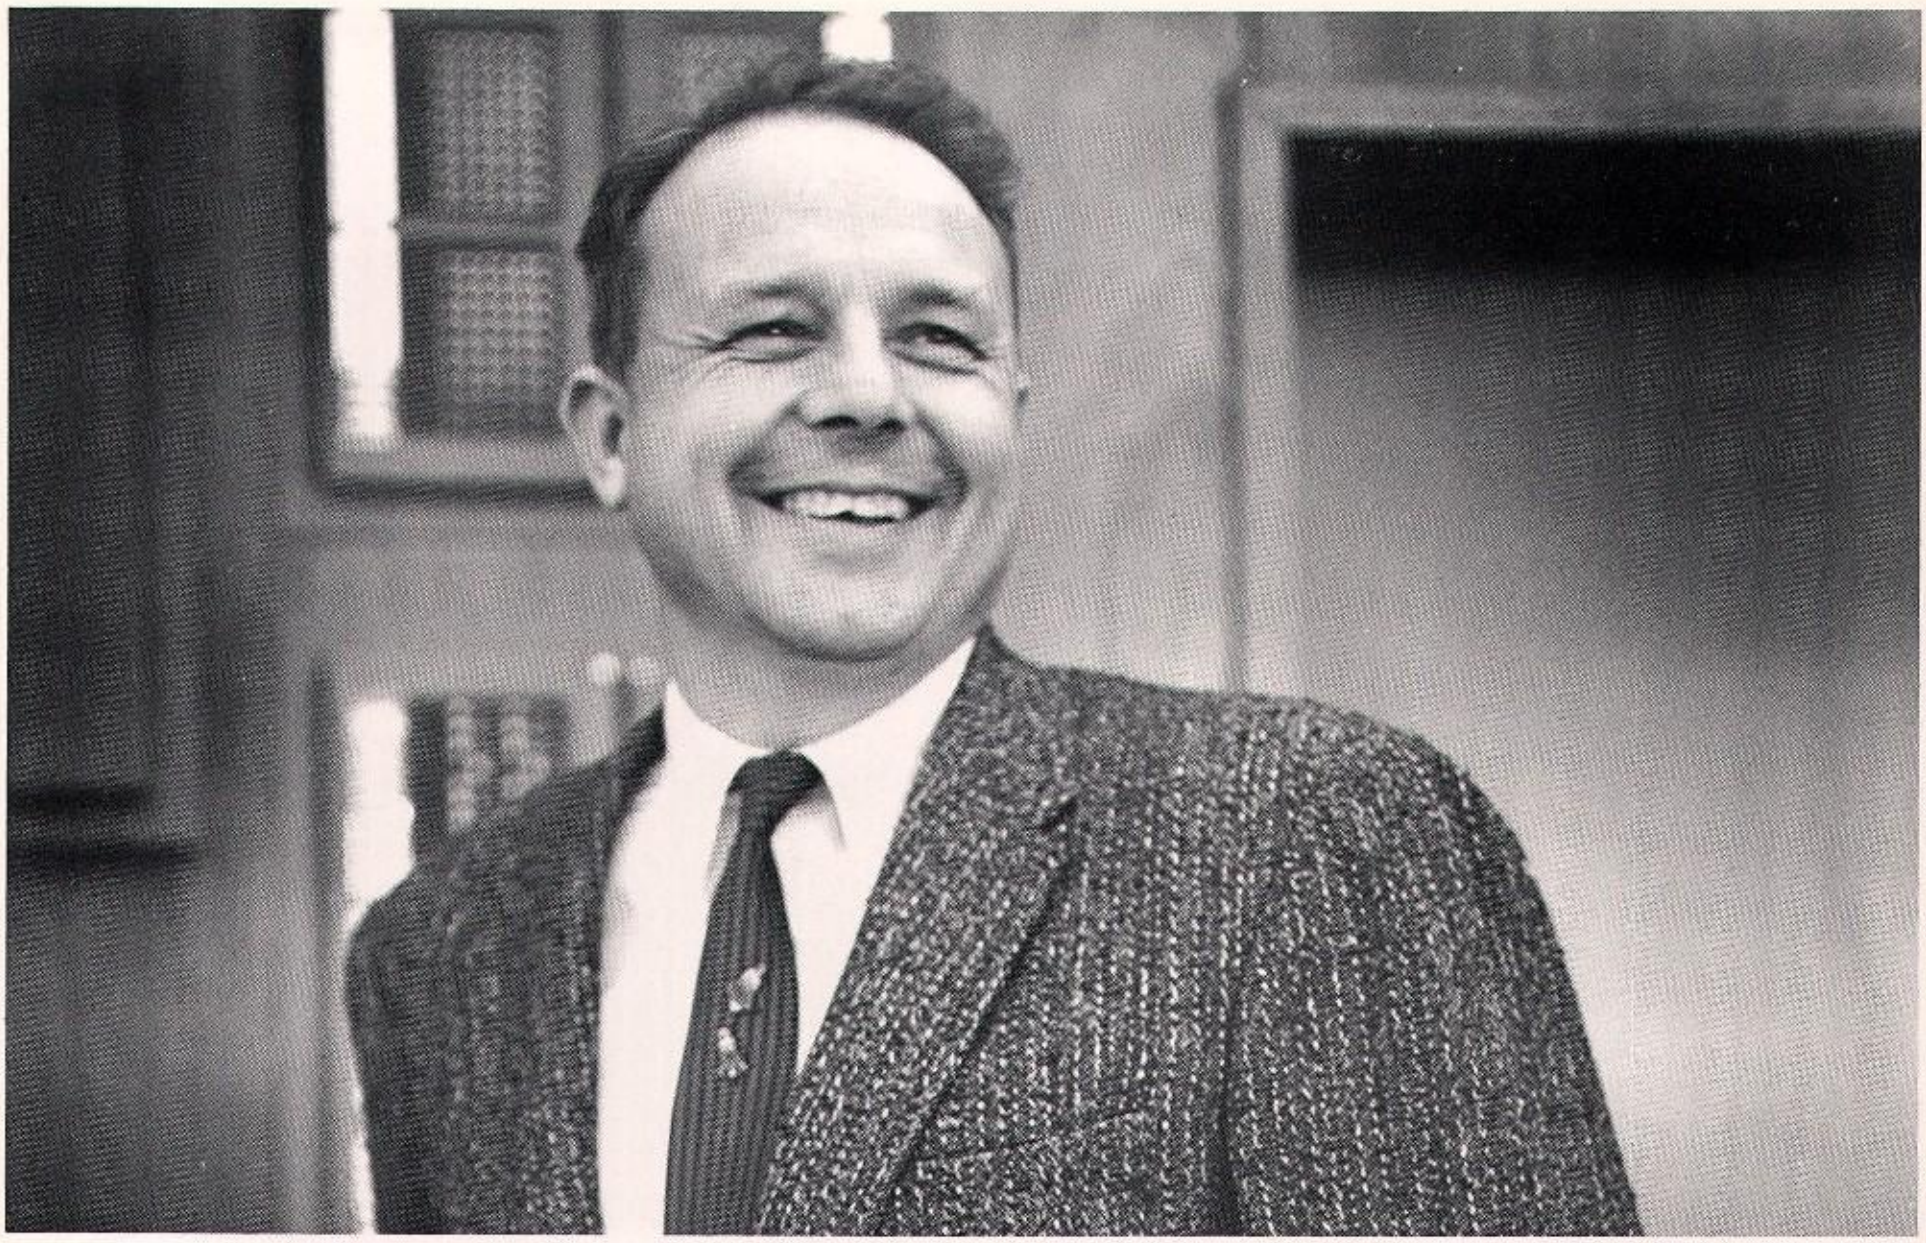
In the pages that follow are reflected many sides and personalities of the new school. It was constructed slowly and carefully, step by step, with much organized thought. It is our hope that the students that follow may develop these high qualities characterized by the new school which will enable them to lead a richer and more noble life.

DEDICATION

To show our appreciation for his willingness to help us in any worthwhile thing we strive to do; for all the extra work he has done in helping to make the dream of a new school a reality; and for his determination and desire to do anything in his power to make our school a better place and the students in it better citizens, the Yearbook Staff of 1962 proudly dedicates this edition of the Tom Tom to the esteemed principal of our new school, Dr. William Gustafson.

ADMINISTRATION





DR. WILLIAM A. GUSTAFSON
DISTRICT SUPERINTENDENT-
PRINCIPAL

The fulfillment of many of our hopes and desires has been realized with the opening of our wonderful new school in Hardin Road. The new surroundings have spurred teachers and students alike to pur forth admirable effort in extending their range of studies and setting higher standards of accomplishments throughout the year.

Students have disciplined themselves well to care for the new facilities so that the community may know over the years that Orestimba's students have real appreciation for the efforts of the community to provide top educational facilities.

The Orestimba Parents' Club has increased parents' contact with faculty members, as both groups seek the same goals of wholesome maturity in knowledge, skills, and habits among our graduates. Our improved facilities for counseling have permitted more and improved contact between our counselors and all students in school this year. Fewer students have found themselves in unsuitable class assignments than ever before.

Adult classes, too, have increased their appeal as the new facilities became available to the community. The resurgence of community interest in real education for youth and adults is a welcome sign that this has been a good and growing year at Orestimba.

MR. JOSEPH C. O'LEARY
VICE PRINCIPAL

Since this class has the opportunity to exclaim the virtues of the first graduation from the new Orestimba High School, we should look at some other distinctions of the class of 1962.

You have recorded a fine academic record and we will miss this achievement next year. On the athletic field you found success and accomplishment. Many clubs and organizations profited from your presence and direction. You responded very well to new ideas in the schedule of classes, closed campus, and the organization of your school.

You have the characteristic to direct yourselves and to adapt to new ideas. You will soon find that you need these abilities to reach your goals. I congratulate class of 1962, for a fine high school record and for the success you will find in the future.

The Warriors, led by their big all-league lineman, Larry Cogburn, and their two speedy all league backs, Dave Brown and captain Bob Mortanti, fought their way to a well-earned winning season. Their losses to the three teams which ended up as co-championship of the Southern League were all evenly matched contests with the real heartbreaker being the LeGrand game, which the Warriors lost 14-12. They wound up the season on a good note squeaking past Denair, 7-6, knocking the Coyotes out of the championship, and scalping their arch-rivals from Gustine 27-7. Finally, topping off a season in which Lady Luck rarely looked their way, Coach Johnson was selected Southern League Coach of the Year.

David Brown makes another winning touchdown against Gustine.

The Warrior Cagers continued where they left off the year before and when the 1961-62 season ended they boasted a record of seventeen victories against only four setbacks. They finished in second place in league play with a respectable ten to two mark, the two losses both coming in the hands of the champ, Ripon; the second being a double overtime defeat which shattered all title hopes. The boys have good reason to be proud, though, as they were one of the highest scoring teams in the central valley, a feat rarely achieved by a small school and with the depth of this year's team returning next year, a very promising future is in store.

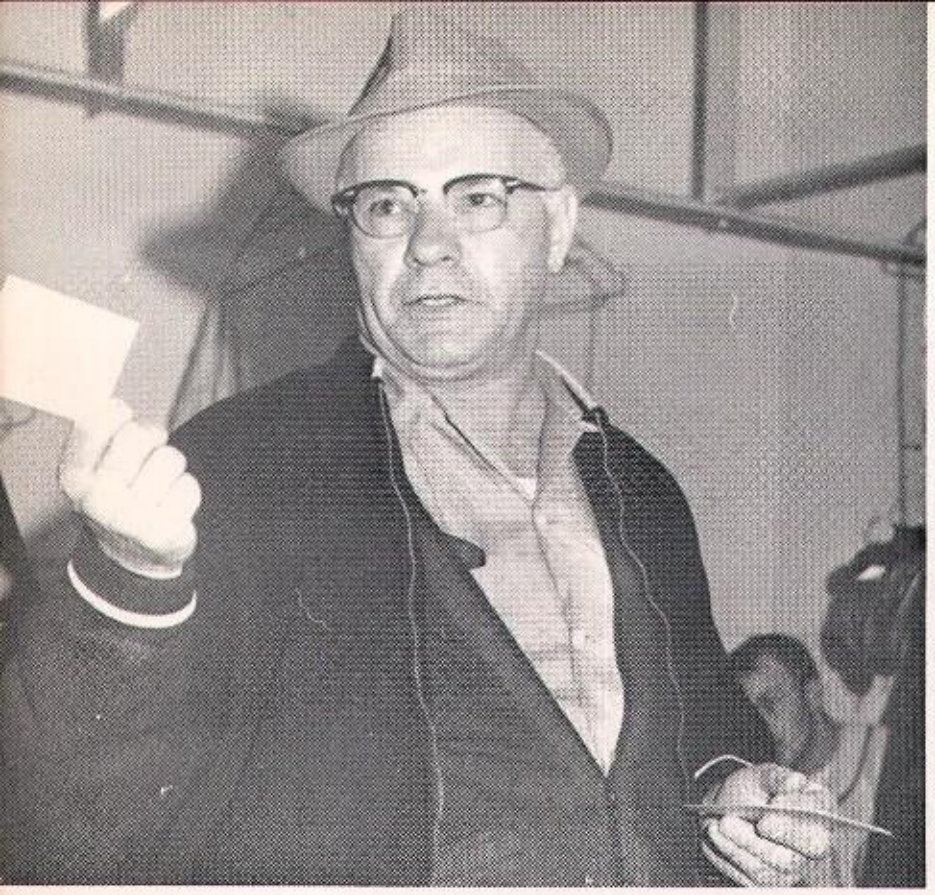
BASEBALL



COACH
Reginold Hoff

The 1962 Warrior Baseball Team, under the leadership of their new coach Reginold Hoff, experienced a successful spring. Those positions vacated by graduated students were filled very handily by some surprising newcomers, while most of the old vets hung in and performed up to expectations. The Warrior nine had a strong pitching staff which was led by All-Leaguer and captain Bob Morganti, and, although hampered by the elements throughout the season, they never let up and continually played a good brand of ball.
